SUMMARY

Curious and analytical Information Technology undergraduate with a strong interest in AI, data, and automation. Experienced in data handling, documentation, and analytical support, with hands-on exposure to Python-based machine learning, data visualization, and structured data management. Motivated to apply AI tools, prompt engineering concepts, and data-driven thinking to solve real-world business problems and improve operational efficiency.

PROFESSIONAL EXPERIENCE

DATA ENTRY OPERATOR

Duration: 2020 – 2023

Worked as a data entry operator at Mayoora Construction managing and organizing company data using Microsoft Excel. Responsibilities included updating spreadsheets, maintaining project records, preparing summaries, and ensuring data accuracy. Gained strong experience in handling structured data and using Excel functions for efficient documentation.

FRONTEND DEVELOPER INTERN

July 2025 – October 2025

Completed a frontend development internship at GAOTek, where I converted Figma designs into responsive React components using Tailwind CSS. Worked on UI implementation, product uploads, and content management using WordPress. Improved skills in modern frontend development, UI/UX implementation, and project collaboration in a professional environment.

PROJECTS

MACHINE LEARNING PROJECT – IRIS FLOWER CLASSIFICATION

Jan 2023 - Jun 2023

CodeAlpha Internship

Developed a machine learning model using Python and Scikit-learn to classify Iris flower species through data preprocessing, visualization, and SVM algorithm, achieving high accuracy and clear classification performance visualization.

SKILLS

Artificial Intelligence Fundamentals	Machine Learning Basics	Data Analysis & Data Cleaning
Microsoft Excel	Python - Pandas	Power BI (Basic)

EDUCATION

Bachelor of Information Technology Specialising in Data Science

2023 - present

SRI LANKA INSTITUTE OF INFORMATION TECHNOLOGY

Relevant coursework in Artificial Intelligence, Data Analytics, Machine Learning, and Statistics, with practical applications in real-world problem solving.

ADDITIONAL INFORMATION

- **Languages:** English, Tamil.
- **Certifications:** DATA VISUALIZATION WITH ADVANCED EXCEL(PwC Academy in Coursera)
